CT 80 Scanning Machines (Lobby)	Machines	4	Bags per Hour	150	Bags per Hour	600

NOTES: 1/ Based on 90% of passengers with bags (FIS and Precleared) and 35% of passengers with bags (domestic). Capacity may be limited by scheduling restrictions, including but not limited to inbound feed limitations and flight integrity requirements (one flight may not be divided between multiple belts).

2/ Includes re-check capable counters currently used for baggage assistance.

3/ 28 of the 30 piers are usable for Make-up. The two remaining piers are dedicated to Post Departure and No Tag Bags.

4/ Multiple flights with 100 passengers or less may be handled on a single pier, subject to carrier or baggage handler requirements. Multiple flights operated by the same Air Carrier may be handled on a single pier, subject to carrier or baggage handler requirements.
