

Northern Winter 2020 Slot Coordination

With continued uncertainty as a result of the COVID-19 outbreak, as well as disruption to normal planning processes, the Worldwide Airport Slot Board (WASB) reviewed the planned Northern Winter 2020 (NW20) Calendar of Coordination Activities.

The WASB confirmed the NW20 coordination calendar dates should remain as planned, only delaying the **Series Return Deadline to 15 August 2020** for this planning period.

Airports, Airlines, Facilitators and Coordinators are reminded to adhere to the current allocation policies, processes and procedures in the Worldwide Airport Slot Guidelines. We would like to remind airlines to ensure their Initial Submission has been received, and Coordinators to clarify with any airline that has failed to apply for its historic slots.
