Dear O'Hare Stakeholders,

Please be informed that the following flights listed in Local time have been allocated the use of G11 for the IATA Summer 2026 season until June 29, 2026 as declared by the Chicago Department of Aviation.

My office received three formal submissions, which were reviewed according to the processes outlined in Section 2 of the Chicago Terminal Space Use Protocols (TSUPs). All Airlines have been notified via email to address any questions about operational concerns.
