Dear O'Hare Stakeholders,

It is my pleasure to provide you with an Amended Summer 2026 Terminal Gate Layout, Stand Information and Stand Capacity Charts. The general information will help facilitate the seasonal scheduling process and operational needs in conjunction with Article 5 of the O'Hare Airline Use and Lease Agreement (**AULA**) and Sections 2.3 and 2.4 of the O'Hare Terminal Space Use Protocols (**TSUPs**) for the Summer 2026 IATA Season.

The focus is the scheduling coordination for Common Use gate G11 for the upcoming Summer 2026 season, starting on March 29th, 2026.
Provided with this email:

- Updated Terminal Gate Layout for Summer 2026
  - Common Use Stand Capacity Summary
  - Common Use Stand Information Summary

Coordination Timeline:

- Summer 2026 Capacity Declaration Amendment – 3/6/26
- Airline Schedule Submission Deadline – 3/13/26
  - As noted in TSUPs Section 2.3, the Initial Schedule Submission shall specify, for each flight:
    - The flight number;
    - Scheduled flight arrival and departure times;
    - Flight links/turns between arrival and departure flight segments;
    - Aircraft equipment type and number of seats; and
  - *In addition to the above, any Preferential Carrier requesting access to Common Use Gate G11 shall submit information as defined in Section 3.6 (Use of Common Use Gate Space by Preferential Use Gate Holders)*
- Flight Allocation/Award Date – 3/20/26
- Start of Summer 2026 Season – 3/29/26

The documents attached to this email have also be listed on the O'Hare, Seasonal tab on the www.igcinc.org website.

Please feel free to reach out if you have any questions.

Regards,

Paul Lark
