Dear O'Hare Stakeholders,

Please be informed that the following flights listed in Local time have been allocated the use of G11 for the IATA Summer 2026 season effective July 1st, 2026 through September 30th, 2026 as declared by the Chicago Department of Aviation.

My office received two (2) formal submissions, which were reviewed according to the processes outlined in Section 2 of the Chicago Terminal Space Use Protocols (TSUPs). Both Airlines have been notified via email to address any questions about operational concerns.
