Dear O'Hare Stakeholders,

Please be informed that the following flights listed in Local Time have been allocated the use of G21 for the IATA Summer 2026 season effective July 21st, 2026 through September 30th, 2026 as declared by the Chicago Department of Aviation.

My office received a single formal submission, which was evaluated in accordance with the procedure specified in Section 2 of the Chicago Terminal Space Use Protocols (TSUPs). The airline was notified by email and advised directing any operational inquiries to my office.
